Raindrops fall  
Wind blows through the dripping colours  
I'm waiting for  
Getting dropped with all the others

Thought I could stay  
A little while in that surroundin'  
I wished that may  
Came back again and sun would bound in

Fuzzy shades of shadows all around  
A veil of mist is covering the ground

Seasons run  
Soon I grew old  
The time has come  
I'm losin' hold

Could this be all  
Entire life?  
From spring to fall

Seasons run  
Soon I grew old  
The time has come  
I'm losin' hold

Could this be all  
Entire life?  
From spring to fall

Seasons run  
Soon I grew old  
The time has come  
I'm losin' hold

A dark and murky gloominess  
Is caused  
By heavy smoke  
Made by a car's exhaust

I'm falling now

Think back to then when I was green  
Bed myself down  
Fade away in golden gleam

Raindrops fall  
Wind blows through the dripping colors
