Down amid the grass and flowers  
As this ballet floats for hours  
It's a messy ride  
In the countryside  
On such a perfect day, yeah

We're moving fast on the other  
The other side of the world

It's like a perfect day  
Water flowing over from above  
To the overflow  
Stand and take a dive into the backslide  
Flowing  
Bodies sliding into the deep  
Slide into the other side of the world

Getting high  
Getting high  
Summertime never felt so good

Gonna slide  
On its concrete face

Gonna slide  
Till I rip my shorts again

Gonna slide to get to  
The other side of the world
