Feedback screams on a twisted riff
I've got more than I could spare
The perfumed dream of a midnight shift
With the tongue hangin' loose

Where can I park my horse?
Where can I park my horse?

Down under in my head
I give a shit that sleep alone
Too much talkin' ain't no good
Where can I park my horse?

Running down with the brain opened wide
I push it hard till there ain't no more
Take no advice that keeps me back
The bang, bang, bang of funeral bells

Where can I park my horse?
Where can I park my horse?

Rebel, rebel I never go home
I know what gets me wet
Wave on wave of body heat
Where can I park my horse?

Feedback screams on a twisted riff
I've got more than I could spare
The perfumed dream of a midnight shift
With the tongue hangin' loose

Is it me or could it be you?
If it's not you it has to be me
Gimme a dollar and you see what I do
My name's John Wayne and I live on the sea

Where can I park my horse?
Where can I park my horse?

Down under in my head
I give a shit that sleep alone
Too much talkin' ain't no good

Where can I park my horse?
