Shadows grow so long before my eyes  
And they're moving across the page  
Suddenly the day turns into night  
Far away from the city  
But don't hesitate, cos your love won't wait, yeah

Ooh baby, I love your way, every day  
I wanna tell you I love your way, every day  
Wanna be with you night and day

Moon appears to shine and light the skies  
With the help of some fireflies  
I wonder how they have the power to shine, shine,  
shine  
I can see them under the pine  
But don't hesitate, cos your love won't wait

Ooh baby, I love your way, every day  
Wanna tell you I love your way, ooh  
Wanna be with you night and day, ooh yeah

But don't hesitate, cos your love won't wait  
Ooh baby, I love your way, every day  
Wanna tell you I love your way, ooh  
Wanna be with you night and day  
Ooh baby I love your way, every day  
Wanna tell you I love your way
