Ooh, I want L.O.D. love on delivery guaranteed
You've got to give a-me L.O.D.
Love on delivery, guaranteed
Ooh, it's got to be

And at the end of a long hard day, baby
What I really need
Is to know there's someone who's waitin'
With love and sympathy

For what is a man all alone
Ain't got a heart and he ain't got a home
But with someone like you
I can come runnin' to, if I got in return, all your

L.O.D. love on delivery, guaranteed
You've got to give a-me L.O.D.
Love on delivery, guaranteed
Ooh, it's got to be

And when the nights are cold and lonely
I'll keep you warm
And my shoulder will always be there
For you to lean upon

Just knowin', you're around
Will give me the will and the strength to go on
So I'm beggin' of you girl, whatever you do
Say you won't let me down

Give me L.O.D. love on delivery, guaranteed
You've got to give a-me L.O.D.
Love on delivery guaranteed
Oh, it's got to be

Oh, I tell you now you've gotta pay your dues
Over and over again

Gimme L.O.D.
Love on delivery, guaranteed
You've got to give a-me L.O.D.
Love on delivery, guaranteed

Who's got to give L.O.D.
Love on delivery, guaranteed
Oh give me, give me L.O.D.
Love on delivery guaranteed
You've got to give a-me L.O.D.
