I don't know what you've got but it plays with my
emotions
I want you so much. Darling
I want to hold you near
Want to whisper sweet and tender in your ear.
Can't stand the thought of you with somebody else
Got to have your love
Got to have it all to myself
I say yeah
Yeah
Yeh
Yeah!
Wanna be your lover
Lover -
Wanna be your lover
Lover
Loverboy.
Lover
Lover
Yeah - wanna be your lover
Lover
Loverboy.
Too far gone it's hard to stop
Baby
You're my dream in motion
And I won't give up. Teasing me with your fire
My finger's on the trigger
You're the one I desire.
'Cause I get this feeling
Feeling from nobody else
Cotta have your tenderness all to myself
I say yeah
Yeah
Yeh
Yeah!
Wanna be your lover
Lover -
Wanna be your lover
Lover
Loverboy. . . .
And I want you really but the thing
Is there's nothing I can say

To stop you
Darling from running
Running away.
Won't you stay
Stay
Stay?
I wanna be your lover
Lover -
Wanna be your lover
Lover
Loverboy.
Wanna be your lover
Lover yeah -
Wanna be your boy
Lover
Lover.
I wanna be your love
I gotta be your love.
And I can stand it
Baby.
Wanna be your lover - Girl
I love you - wanna be your lover -
More and more; please stay. Tonight
I wanna be your love.
Tonight
I wanna be your love - wanna be your love.
Tonight
I wanna be your love - gotta be your love
I wanna be your love
Gotta be your love
Wanna be your lover.
Tonight
I wanna be your love
