If I had to paint a picture  
To show the world how true love can really be  
I would use the brightest colours  
To create a vision of harmony

It would be a reality  
Cos it's only what's inside of my heart  
You would see I've always loved you  
Right from the very start

Tell me what is the colour of love, what do you see  
Is it warm, is it tender when you think of me  
I see the colour of love when I'm thinking of you  
As a picture perfect painting of a love forever true

The colours of the rainbow  
Turn grey whenever you're so far away  
It changes like the seasons  
You're the reason it happens that way

What you see are colours of emotion  
Reflecting what I feel deep inside  
Now I'd like to take a look  
At emotions that you hide

Tell me what is the colour of love, what do you see

Is it warm, is it tender when you think of me  
I see the colour of love when I'm thinking of you  
As a picture perfect painting of a love forever true

And oh, though many may try to keep us apart  
Oh the colours that I see in you  
Will shine a light to see us through  
No matter what the world will do, I'll always love you

Tell me what is the colour of love, what do you see  
Is it warm, is it tender when you think of me  
I see the colour of love when I'm thinking of you  
As a picture perfect painting of a love forever true

What is the colour of love, oh tell me, tell me

Oh I wanna know, I wanna know  
I see the colour of love when IÂ'm thinking of you  
As a picture perfect paining of a love forever true
