Don't go on  
looking for the love  
in the illusion of it all  
the answers in the dream  
cause I have been through mire and confusion  
I am free  
as far as I can see

is Nashville skyline  
underneath it all  
you yourself are free

I was living in a dream  
I was living for the scene  
I was floating high above  
cause I have been through mire and confusion

I am free

as far as I can see  
is Nashville skyline  
underneath it all  
you yourself are free  
floating high above  
the Nashville skyline

and underneath it all  
yourself are free  
you yourself are  
forevermore is the love that you need to believe  
and you yourself are there  
floating high above  
the Nashville skyline
