Uhm... I saw you this morning when you were... ironing  
all the... all the... you know, all the stuff that we need.  
For, uh, for ourselves.  
You were cleansing it.  
And I know it's all... yeah I know it's all important...  
uhm... the seam and all... and keeping the line straight  
of... whatever.  
Anyway... what I wanted to say... what I wanted to say  
is...  
Don't go any further  
Uhm... I saw you this morning when you were... ironing  
all the... all the... you know, all the stuff that we need.  
For, uh, for ourselves.  
You were cleansing it.  
And I know it's all... it's all gone... it's all over... yeah, I  
don't know, I don't know... just don't go any further  
Don't go any further  
Don't go any further  
Don't go any further  
Don't go any further  
Uhm, I know, I was, uhm, I was late... later than, later  
than expected.  
Uhm, don't go any further.  
And I know it's all... it's all gone... it's all over... yeah, I  
don't know, I don't know...  
Don't go any further  
Don't go any further  
Don't go any further  
Don't go any further  
Don't go any further, further  
Don't go any further, further  
Don't go any further  
Don't go any, Don't go any further  
Don't go any further  
Don't go  
Don't go
