[Music & Lyrics by Ole Helgesen]

Rise and shine in the night  
My pride salutes me, until I fall  
The wicked children praise my name,  
Then writes it in the morning sky  
All little devils are dancing in ecstasy  
Inspired by the taste of horror  
Proud to be insane forever  
Proud to be insane  
Let out the killer in me  
Raise your hands above your head  
Close your eyes and you'll be dead  
Broken dreams of insanity  
Anger will be my victory  
Inspired by the taste of horror  
Proud to be insane forever  
Proud to be insane  
Let out the killer in me!
