Do do do do do... Do do do do do... Do do do do do... Do  
do do do do, no no...

Soon to be ex-Quaker A cat without it's paws A bee  
without it's stinger Fighting nature's laws Soon to be  
ex-Quaker And that's just how it goes

That's when I saw red Å'Cos it was everywhere And I  
got kicked again And picked up by the hair That's  
when he saw the tears Streaming down my face And  
when he said, "Oh, why don't you fight like a man?" I  
said, "I don't know, but I don't think I can?"

Soon to be ex-Quaker A cat without it's claws A bee  
without it's stinger Fighting nature's laws Soon to be  
ex-Quaker And that's just how it goes

Do do do do do... Do do do do do... Do do do do do... Do  
do do do do, no no...

Soon to be ex-Quaker A cat without it's claws A bee  
without a stinger Fighting nature's laws Soon to be ex-  
Quaker And that's just how it goes
