Fourteen feet tall, and glassy and pale, and covered in soot

I don't know who he was or what he was, the question was moot

I laid in bed, too scared to speak, and watched him watch me

There was no sound but the crickets outside and the leaves in the breeze. oh

He lit a cigarette and said, $\tilde{A}f'\tilde{A}$, "Your chimney's a bitch. $\tilde{A}f'\tilde{A}$,"

I said, $\tilde{\mathbf{A}}f'\tilde{\mathbf{A}}$,"Are you old Santa Claus? $\tilde{\mathbf{A}}f'\tilde{\mathbf{A}}$," And he said, $\tilde{\mathbf{A}}f'\tilde{\mathbf{A}}$,"You wish, $\tilde{\mathbf{A}}f'\tilde{\mathbf{A}}$," yeah yeah yeah

That's when the party started as far as I know I grabbed a hold of it and never let go And if I saw it well then maybe it's so Oh, whoa, $\operatorname{etc} \tilde{A} f | \tilde{A}, \hat{a} \in I$

Later that year, I swear to god, it happened again, oh I was out camping with my baby and a couple of friends. oh

As we fell asleep I know I saw a light in the east, oh Spinning around and changing colors with a weird humming sound, oh

As it got close I felt my sleeping bag rise from the ground, oh

When we woke up I was yards from the fire Eyes swollen shut, and buried to my waist That's when the party started as far as I know I grabbed a hold of it and never let go And if I saw it well then maybe it's so Oh, whoa, $\operatorname{etc} \tilde{\mathbb{A}} f' \tilde{\mathbb{A}}, \hat{\mathbb{a}} \in |$

I know I know I know I saw him again
I was out walking my dog and he followed me home, oh
Fourteen feet fall, a pinstripe suit and the same weird
shadow, oh

He was outside for several weeks and then he vanished again, oh

I really don't know what to think after twenty-three years

The only real thing I ever learned is: Maybe it is, if it has so appeared

That's when the party started--I grabbed a hold of it and--And if I saw it well, then $\tilde{A}f'\tilde{A},\hat{a}\in \{$ Oh, whoa, etc $\tilde{A}f'\tilde{A},\hat{a}\in \{$
