Sooner Or Later  
Billy Paul  
(S. Marshall/V. Gray)

Sooner or later you're gonna come around  
You think about this love, you turn it down  
Sooner or later you got to settle down  
You think about this love, you turn it down

Sooner or later

Hey, girl, tell me why  
You keep me at a distance all the time  
We can touch the sky  
If you would only let your heart be your guide

No, girl, you can't say it doesn't matter  
We both know it isn't true  
If we could get together  
Then you'll see  
I'm the one who loves you  
I'm the one who needs you

Sooner or later you got to come around  
You think about this love that you're turnin' down  
Sooner or later you got to settle down  
You think about this love that you're turnin' down  
Sooner or later

Let mine be the arms  
That you run to when you need someone  
If you trust in me  
You'll see the love I offers guarantee

No, girl, you can't say it doesn't matter  
We both know it isn't true  
If we could get together  
Then you'll see  
I'm the one who loves you  
I'm the one who needs you

Sooner or later you got to come around  
You think about this love that you're turnin' down  
Sooner or later you got to settle down  
You think about this love that you're turnin' down  
Sooner or later  
Sooner or later

No, girl, you can't say it doesn't matter  
We both know it isn't true  
If we could get together  
Then you'll see  
I'm the one who loves you  
I'm the one who needs you

Sooner or later you got to come around  
You think about the love, think about the love you been  
turnin' down  
Sooner or later you got to settle down  
And think about the love, think about the love you been  
turnin' down  
Sooner or later

[Sooner or later] We got to get together  
[Sooner or later] It really doesn't matter  
[Sooner or later] You got to put your trust in me

[Sooner or later]

[Sooner or later] I'm gonna turn your head around

[Sooner or later] You got to make me your man  
[Sooner you later] I'm gonna hook you up and buy you  
some land

[Sooner or later] The deed will be yours  
[Sooner or later] We'll keep this land and close the  
doors  
[Sooner or later] You got to settle down  
[Sooner or later] I'm givin' you all this if and if this don't  
turn your  
head around

[Sooner or later] Baby, put your trust in me  
[Sooner or later] Give me some love, give me some

[Sooner or later] Oh, if you love me, babe  
[Sooner or later] Oh, I'm buyin' you a house, baby

to, got to,  
got to, got to turn your head around  
[Sooner or later] Oh, oh, oh

[Sooner or later] Got to, got to, got to, got to, got to,
