A dream is a wish  
(Yeah, yeah)

A dream is a wish your heart makes  
When you're fast asleep  
In dreams you will loose your heartache  
Whatever you wish for you keep

Have faith in your dreams and someday  
Your rainbow will come smiling through  
No matter how your heart is grieving  
If you keep on believing

The dream that you wish will come true  
A dream is a wish your heart makes  
When you're feeling small  
Alone in the night you whisper

Thinking no one can hear you at all  
You wake with the morning sunlight  
To find fortune that is smiling on you

Don't let your heart be filled with sorrow  
For all you know tomorrow  
The dream that you wish will come true

When you can dream then you can start  
A dream is a wish you make with your heart  
When you can dream then you can start  
A dream is a wish you make with your heart

A dream is a wish your heart makes  
When you're fast asleep  
In dreams you will loose your heartache  
Whatever you wish for you keep

You wake with the morning sunlight  
To find fortune that is smiling on you  
Don't let your heart be filled with sorrow  
For all you know tomorrow

The dream that you wish will come true

No matter how your heart is grieving  
If you keep on believing  
The dream that you wish will come true

When you can dream then you can start  
When you can dream then you can start  
When you can dream then you can start  
A dream is a wish you make with your heart

When you can dream then you can start  
A dream is a wish you make with your heart
