(chorus)

With a few good friends and a stick or 2,
A house is built at a corner called Pooh.
With a friend and a stick or 3 or 4,
A house is built where it wasn't before!

With a window here,
And there a door,
And a nail or a peg,
for the coat of Eeyore.

(chorus)

With a few good friends and a stick or 2,
A house is built at a corner called Pooh.
With a friend and a stick or 3 or 4,
A house is built where it wasn't before!

Dress it down,
Or dress it up,
Invite Tigger for tea,
Or Owl for supper.

(chorus)

With a few good friends and a stick or 2,
A house is built at a corner called Pooh.
With a friend and a stick or 3 or 4,
A house is built where it wasn't before!
