They've been laughin' since I can remember
But they're not gonna laugh anymore
No more "Maxie the geek", no more "Goof of the week"
Like befoore

No more algebra tests 'til September
No more lookin' at losers like him
No more more havin' to cheat
No more mystery meat
No more gym
No more gym
No more gym
No more gym!

Gonna move to the mall!
Gonna live in the pool!
Gonna talk to Roxanne and not feel like a fool!

'Cause after today I'm gonna be cruisin'!
After today she'll be mine!
After today my brains will be snoozin'!
If I don't faint I'll be fine!
I've got forty more minutes, of home economics
Then down with the text books
And up with the comics!
Just think of all the time I've been losin'
Finding the right thing to say!
But things will be going my way, after today

She looked right through me, and who could blame
her?
I need a new me, plus some positive proof that I'm not
just a goof, and
After today I'm gonna be cruisin'!
No more pep rallys to cut! Yech!
After today my brains will be snoozin'!
I'm gonna sit on my butt
I've got less than an hour, and when this is ended
I'll either be famous..
Or you'll be suspended!

Just think of all the time I've been losin'
Waiting untill I could say ...
Gonna be on my own, kiss the parents goodbye
Gonna party from now 'till the end of July
Things'll be going my way, after todaaaaaay ...
I wish that this was the day, ... after today
