Marigolds:Poem, poepoem, poem,

All flowers:

Little bread-and-butterflies kiss the tulips,
and the sun is like a toy balloon.

There are get up in the morning glories,
in the golden afternoon.

There are dizzy daffodils on the hillside,
strings of violets are all in tune,

Tiger lilies love the dandy lions,
in the golden afternoon,

the golden afternoon.

There are dog and caterpillars and a copper centipede,
where the lazy daisies love the very peaceful life they
lead...

You can learn a lot of things from the flowers,
for especially in the month of June.

There's a wealth of happiness and romance,
all in the golden afternoon. ...

All in the golden afternoon,
the golden afternoon...

Alice:

You can learn a lot of things from the flowers,
For especially in the month of June.

There's a wealth of happiness and romance, oh...

Flowers:...the golden afternoon!
