We were strangers, startin out on a journey  
Never dreamin' what we'd have to go through  
Now here we are, and Im suddenly standin'  
At the beginning with you

(Man)

No one told me, I was going to find you  
Unexpected what you did to my heart  
(both)When I lost hope, you were there to remind me  
This is the start

And life is the road  
And I wanna keep going  
Love is a river and  
I wanna keep flowing  
Life is a road now and forever a  
Wonderful journey.  
I'll be there when the world stops turning  
I'll be there when the storys through  
In the end I wanna be standin'  
At the beginning with you.

Wonderful journey.

At the beginning with you.

I've been waiting too long  
Nothings gonna tear us apart.

And life is the road  
And I wanna keep going
