Anastasia) We were strangers,
starting out on a journey
Never dreaming
what we'âââd have to go through
Now here we are,
and I'âââm suddenly standing,
at the beginning with you

(Dimitri) No one told me
I was going to find you,
Unexpected
what you did to my heart,
(BOTH) When I lost hope
you were there to remind me
this is the start

(Chorus) And life is a road
and I wanna to keep going
love is a river
I wanna keep flowing
life is a road
now and forever
wonderful journey

I'll be there when the world stops turning
I'll be there when the storm is through
in the end I wanna be standing
at the beginning with you

(Anastasia) We were strangers
on a crazy adventure
(Dimitri) Never dreaming
how our dreams would come true
(Both) Now here we stand unafraid of the future
At the beginning with you

(Chorus)

(Both) I knew there was somebody somewhere
like me alone in the dark
Now I know my dreams will live on

Ive been waiting so long
Nothings gonna tear us apart

(Chorus)

Life is a road and I wanna keep going
Love is a river I wanna keep going on
Starting out on a journey

Life is a road and I wanna keep going
Love is a river I wanna keep flowing
In the end I wanna be standing
at the beginning with you
