Carlos Ponce  
This is the night  
It's a beautiful night  
and we call it bella notte

Look at the skies  
They have stars in their eyes  
On this lovely bella notte

So take this love of your loved one  
You'll need it about this time  
To keep from fallin' like a star  
When you make that dizzy climb

For this is the night  
and the heavens are right  
On this lovely bella notte

Joy Enriquez  
This is the night  
Such a beautiful night  
And we call it bella notte

Look at the skies  
So many stars in their eyes  
What a lovely bella notte
