The walrus and the carpenter!

Or, the story of the curious oysters

The sun was shining on the sea

Shining with all its might

He did his very best to make the flow smooth and
bright

And this was all because it was the middle of the night

The walrus and the carpenter were walking to the den

The beach was right from side to side but MUCH too
full of sand

'Mr.Walrus!' Said the carpenter, 'My brain begins to
perk!'

'We'll sweep this clear in half a year, if you don't mind
the work!'

'Work!?' The time has come, ' The Walrus said, 'To talk
of other things!'

'Of shoes, and ships, and ceiling wax, and cabbages
and kings,'

'And why the sea is BOILING hot, and weather pigs
have wings!'

'CULOO, CULAAY, no work today,'

'We're cabbages and kings!'

'Oh oysters, come and walk with us, the day is warm
and bright!'

'A pleasant walk, a pleasant talk, would be a sheer

delight!'

'And if we perhaps get hungry on the way, we'll stop
and...have a bite!'

But mother oyster went tally, and shook her heavy head

She knew too well this was no time to leave her oyster
bed

'The sea is nice, take my advice, and stay right here, '
Mum said.

'Yes yes of course of course but
HA HA the time has come my little friends,'

'To talk of other things!'

'Of shoes and ships and ceiling wax, and cabbages
and kings,'

'And why the sea is boiling hot, and weather pigs have
wings!'

'CULOO, CULAAY, come run away!'

'Where theres cabbages and kings!'

'Well well now, let me see, a loaf of bread is what we
need!'

'How bout some pepper and sault an' vinegar, eh?'

'Yes yes, splendid idea, very good indeed,'

'Now, if you're READY, oysters, dear, we can begin the
feed!'

'FEED!?!'

'Oh yes! The time has come my little friends, '

'To talk of food and things!'

'Of bethicals and mustard seeds and other
seasonings!'

'We'll mix them all together in a sauce that's fit for
kings,'

'CULOO, CULAY, we'll eat today!'

'Like cabbages and kings!'

'I weep for you, I dearly sympathize,'

'For I've enjoyed your company much more than you realize!'

'Little oysters! Little oysters!'

But response there came none,

And this was scarcely odd cause they'd been eaten,

Every one.

We're cabbages and kings!

The end.
