Sing it girl! Oh yeeah-yeah!

I'm your basic average girl
And I'm here to save the world
You can't stop me 'cause I'm
Kim-Pos-si-ble
There is nothing I can't do
Do when danger calls
Just know that I am on my way (know that I am on my
way)

It doesn't matter where or when there's trouble
If you just call my name
Kim Possible

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cell phone ri-i-ing
Doesn't matter if it's day or night
Everything is gonna be alright
Whenever you need me baby
Call me, beep me if you wanna reach me

Doesn't matter where
Doesn't matter when (doesn't matter when)
I will be there for you 'til the very end ('til the very end)
Danger or trouble
I'm there on the double
You know that you always can call
Kim Possible

Yeaah-hey yeaah-hey

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cell phone ri-i-ing
Doesn't matter if it's day or night
Everything is gonna be alright
Whenever you need me, whenever you need me baby

Call me, beep me if you wanna reach me

When you wanna page me it's okay
Call me, beep me if you wanna reach me
