Chim chiminey
Chim chiminey
Chim chim cher-ee!
A sweep is as lucky
As lucky can be

Chim chiminey
Chim chiminey
Chim chim cher-oo!
Good luck will rub off when
I shake 'ands with you
Or blow me a kiss
And that's lucky too

Now as the ladder of life
'As been strung
You may think a sweep's
On the botton most rung

Though I spends me time
In the ashes and smoke
In this 'ole wide world
There's no 'appier bloke

Chim chiminey
Chim chiminey
Chim chim cher-oo!
Good luck will rub off when
I shake 'ands with you
Or blow me a kiss
And that's lucky too

Chim chiminey
Chim chiminey
Chim chim cher-oo!
Good luck will rub off when
I shake 'ands with you
Or blow me a kiss
And that's lucky too
