From the day we arrive
on the planet,
and blinking, step into
the sun,
there's more to see
than can ever be seen
more to do, than can ever be done
there's far too much to take in here
more to find than can ever be found
But the sun rolling high
through the sapphire sky
keeps great and small on the endless
round
it's the Circle of Life
and it moves us all,
through despair,
and hope
through faith
and love
till we find,
our place,
on the path unwinding
in the Circle,
the Circle of Life
