Cruella De Vil
Cruella De Vil
If she doesn't scare you
No evil thing will
To see her is to
Take a sudden chill
Cruella, Cruella De Vil

The glare in her look
The ice in her stare
you innocent children
Had better beware
She's like a spider waiting
For the kill
cruella de vil Cruella De Vil

At first you think
Cruella is the devil
(shes the devil)
But after time has worn
Away the shock
You come to realize
You've seen her kind of eyes
Watching you from underneath
A rock!

This vampire bat
This inhuman beast
She ought to be locked up
And never released
The world was such
a happy place
