[Jasmine] You showed me the world  
When i was all locked up inside  
You reached out your hand  
And took me on a magic carpet ride  
One look at your smile and i could see the light  
Shinning everywhere  
People like you, don't come out of thin air

[Aladdin] Oh Jasmine

You don't understand  
There is so much that you don't see  
Just think if you can  
What growing up had to be like for me  
Your fathers a man  
Who teaches you who you are  
Mine was never there  
So how can you say  
I don't come out of thin air

Theres so much i want to know  
[Jasmine] You've got the chance to learn  
[Aladdin] If it means i have to go  
[Jasmine] I'll be right here when you return

Our wedding can wait  
[Aladdin] i love you  
[Jasmine] I think it's worth this small delay  
[Aladdin] Maybe your right  
[Jasmine] And won't it be great  
To have your father see our wedding day

[Aladdin] I've waited so long  
[Jasmine] It isn't too late  
[Aladdin] To learn the truth

[Both] And know at last we can finally say

[Jasmine] Your father is really there  
[Aladdin] There's so much that we might share  
[Jasmine] And you'll finally learn

[Both] You don't come out of thin air
