Dreams to dream, in the dark of the night  
When the world was wrong  
I can still make it right  
I can see so far in my dreams  
I'll follow my dreams, until they come true  
Come with me, you will see what I mean  
There's a world inside  
No one else ever sees  
You will go so far in my dreams  
Somewhere in my dreams  
Your dreams will come true  
There is a star, waiting to guide us  
Shinning inside us, when we close our eyes

Don't let go, if you stay close to me  
In my dreams tonight, you will see what I see  
Dreams to dream,  
As near as can be  
Inside you and me, they always come true
