"Dreams to Dreams"

Dreams to dream in the dark of the night
When the world goes wrong, I can still make it right
I can see so far in my dreams
I'll follow my dreams
Until they come true.

Come with me, you will see what I mean,
There's a world inside no one else ever sees.
You will go so far in my dreams,
Somewhere in my dreams,
Your dreams will come true.

There is a star waiting to guide us
Shining inside us when we close our eyes!
Don't let go, if you stay close to me
In my dreams tonight, you will see what I see
Dreams to dream, as near as can be
Inside you and me, that always come true.
