Simba:

Where has the starlight gone?

Dark is the day

How can I find my way home?

Home is an empty dream

Lost to the night

Father, I feel so alone

You promised you'd be there

Whenever I needed you

Whenever I call your name

You're not anywhere

I'm trying to hold on

Just waiting to hear your voice

One word, just a word will do

To end this nightmare

When will the dawning break

Oh endless night

Sleepless I dream of the day

When you were by my side

Guiding my path

Father, I can't find the way

You promised you'd be there

Whenever I needed you

Whenever I call your name

You're not anywhere

I'm trying to hold on

Just waiting to hear your voice

One word, just a word will do

To end this nightmare

Chorus:

I know that the night must end

And that the sun will rise

And that the sun will rise

I know that the clouds must clear
And that the sun will shine
And that the sun will shine

Simba and Chorus:
I know that the night must end
And that the sun will rise
And that the sun will rise
I know that the clouds must clear
And that the sun will shine
And that the sun will shine
(Chorus Repeat to end)

Simba:
I know
Yes, I know
The sun will rise
Yes, I know
I know
The clouds must clear

I know that the night must end
I know that the sun will rise
And I'll hear your voice deep inside

I know that the night must end
And that the clouds must clear
The sun
The sun will rise
The sun
The sun will rise
