hee hee ha ha hee hee hoo hoo
Boy are we in luck!
We're visiting a laughing place
Hee hee hoo ha hoo hoo
Everybody's got a laughing place
A laughing place to go
Take a frown, turn it upside down
And you'll find yours we know
Honey and rainbows on our way
Where everyone is worth his weight
Boy are we in luck
We're visiting a laughing place
Everybody's got a laughing place
A laughing place to go
Take a smile and for a while
You'll find yours we know
Honey and rainbows on our way
Take that frown, turn it upside down
And soon you'll find you're here to stay
Everybody's got a laughing place to go
Come on in, give us all a grin
And you'll find yours I know
Laughing has always been our game
Honey fun is what we bring
Boy are we in luck
We're visiting a laughing place
Everybody's got a laughing place
A laughing place to go
We've found one that's filled with fun
And you'll find yours we know
Everybody's got a laughing place
A laughing place to go
Take a frown, turn it upside down
And you'll find yours we say we think
