Got myself a notion
And one I know that you'll understand
To set the world in motion by reaching out for each
other's hand

Maybe we'll discover
What we shoulda known all along
One way or another, together's where we both belong

If we listen to each other's heart
We'll find we're never too far apart
And maybe love is a reason why
For the first time ever, we're seein' it I-2-I

If a wall should come between us
Too high to climb, too hard to break through
I know that love'll lead us
And find a way to bring me to you

So don't be in a hurry
Think before you count us out
You don't have to worry
I won't ever let you drown
(Nothing's gonna stop us now)

If we listen to each other's heart
We'll find we're never too far apart
And maybe love is a reason why
For the first time ever, we're seein' it I-2-I

Love is why we're seein' it I-2-I
(Yes, we are seein' it I-2-I)
Seein' it I-2
(Love is why we're seein' it)
I think we're seein' it I-2-I
(I-2-I)
2-I

We're seein' it I-2-I
(I-2-I!)

If you're ever lonely, then stop!

You don't have to be
After all, it's only a beat away from you to me
(Take a look inside and see)

If we listen to each other's heart
We'll find we're never too far apart
And maybe love is a reason why
For the first time ever, we're seein' it I-2-I

Seein' it I-2
Seein' it I-2-I
We're seein' it I-2-I, baby
For the first time
For the first time

I-2-I
Seein't it
Seein' it, baby
Seein' it I-2
For the first time ever
Hey yeah
Seein' it, baby
We're seein' it I-2-I
Seein' it
(C'mon, baby)

I-2-I
I-2-I
I-2-I
I-2-I
Yeah
I-2-I!
