Victor  
It's all too sudden

Laverne  
Our boy has grown

Hugo  
There's nothing more to do

Victor  
It's true

Laverne  
He's on his own

Victor  
We've tried to teach him

Laverne  
We've tried to show

Hugo  
The things a gargoye  
And a gar-guy ought to know

Victor  
He's gone

Laverne  
He's left

Hugo  
And do we feel bereft?

Everyone  
No! He's fa la la la fallen in love  
Fa-la-la-la-la  
He's fa la la la fallen in love

Sing a rousing, rollicking, roundelay  
For our rip-roaring rhapsody

He's fa la la la fallen in love  
Fa-la-la-la-la la fallen in love

Why should we be blue?  
His love is true  
So bid the kid adieu

Crowd  
Oh, wow  
Just across the square  
Look at Quasi there

Hugo  
Love has nailed him

Crowd  
Oh, wow  
Sighing when he talks  
Flying when he walks

Hugo  
Love's derailed him, ha

Crowd  
He's fa la la la fallen in love  
Wow  
He's fa la la la fallen in love

Sing a merry madrigal melody  
For his marvelous malady  
Love's derailed him

He's fa la la la fallen in love  
He's fa la la la fallen in love  
He's fa la la la la la la fallen

Fa-la-la-la  
Fa-la-la-la-la-la-la fallen

Fa-la-la-la  
Fa-la-la-la-la-la-la fallen

Fa-la-la-la  
Oh, wow!  
Quasimodo's fallen in love.
