Odette:

If I could break this spell  
I'd run to him today  
and somehow I know he's on his way to me  
Derek, you and I were meant to be

Far longer than forever  
I'll hold you in my heart  
It's almost like you're here with me  
Although we're far apart

Derek:

Far longer than forever  
As constant as a star  
I close my eyes  
and I am where you are

Odette:

Sure as the dawn brings the sunrise  
We've an unshakeable bond

Derek:

Destined to last for a lifetime  
and beyond

Far longer than forever (Far longer than forever)  
I swear that I'll be true (I swear that I'll be true)  
I've made an everlasting vow  
To find a way to you

Both:

Far longer than forever  
Like no love ever known  
and with your love  
I'll never be alone

Odette:

Far longer than forever

Derek:

Much stronger than forever

Odette:  
and with your love  
I'll never be alone
