Once upon a time there was a vulture and a hog  
Living in a house upon a hill  
Had this little boy who lived with them  
They worked him like a dog  
With any luck, they'd have him up there still  
Til a magic man with a magic bag  
Full of nasty little green things in a funky old rag  
He said, "Boy you may not know it, but this here's  
salvation, you see."  
Son, you're going down in history

Good news is blowin' in your window  
Good news is knockin' on your door  
Good news is comin' round the corner  
Good news is rollin' round your floor

Where can all my troubles be?  
Must be good news chasin' me  
Good enough to set everybody free  
Good news, good news, good news  
(Good news)

There was bugs in the garden  
Didn't have a clue  
That everyday their life was on the line  
They wanted to get outta there  
They didn't know what to do  
Their little brains is workin' overtime  
That all changed one sunny day  
That little boy dropped by to say  
We all work together, we make out okay  
Good news, good news, good news

Gotta roll down a mountain  
Flew over the sea  
Facin' death and danger on their way  
But together they had made it  
There where they wanna be  
They love each other more and more each day  
They care about each other

Good news is sweepin' cross the country  
Good news is spreadin' all around  
Good news is hittin' in the city  
Good news has sprung up in the town

The things that used to hurt before  
They don't hurt 'em anymore  
'Cause they know there's something good in store  
Good news (Good news)  
Good news (Good news)  
Good news (Good news)  
Good news (Good news)  
Good news (Good news)  
Good news (Good news)

Good news  
Comin' down the chimney  
Good news  
Knockin' on my door  
Good news  
Leavin' through the window  
Good news  
Can't take no more  
Good news  
Spreadin' all the country  
Good news  
For the young and old  
Good news  
Goin' round the world, now  
Good news  
Too hard to hold back

Good news (Good news)  
Good news (Good news)  
Good news (Good news)  
Good news (Good news)  
Good news (Good news)  
Good news (Good news)  
Good news! (Good news)
