Widow Tweed:

We met, it seems, such a short time ago
You looked at me - needing me so
Yet from your sadness
Our happiness grew
And I found out I needed you too
I remember how we used to play
I recall those rainy days
The fire's glow
That kept us warm
And now I find - we're both alone
Goodbye may seem forever
Farewell is like the end
But in my heart is a memory
And there you'll always be

Chorus:

Goodbye may seem forever
Farewell is like the end
But in my heart is a memory
And there you'll always be
