when the crypt doors creak and the tombstones quake  
spooks come out for a swingin' wake  
happy haunts materialize, and begin to vocalize,  
grim grinnin' ghosts come out to socialize

now don't close your eyes and don't try to hide  
or a silly spook may sit by your side  
shrouded in a daft disguise, they pretend to terrorize,  
grim grinnin' ghosts come out to socialize

as the moon climbs high o'er the dead oak tree  
spooks come out for the midnight spree  
creepy creeps with eerie eyes, start to shriek and  
harmonize  
grim grinnin' ghosts come out to socialize!

when you hear the knell of a requiem bell  
wierd glows gleam where spirits dwell  
restless bones eptherialize, rise as spooks of every  
size  
(maniacle laughter)

if you would like to join our jamboree  
theres a simple rule thats compulsory:  
mortals pay a token fee, rest in peace, the hauntings  
free,  
so hurry back, we would like your company!
