There's no place i'd wrather be then on a surf board,
out at sea, rinarigna ocean blue, and if i had 1 wish
come true

i'd surf in the sunset behind the horizon,

flying high on the hawiiian rollercoaster ride

on a hawiiian roller coaster ride,
theres no place i'd wrather be then on a surf board,
out at sea, rigariga in the square i live, and if i only had
my wish
flip in the sunsets behind the horizon,

it's nice to try the hawiiian rollercoaster ride,

front side back side ,lets get the jump surfs up,
coasting with motion of the ocean,
on a hawiiian rollercoaster ride,

Theres no place i'd rather be then on a surf board out
at sea,
nignrign the ocean blue and if i had 1 wish come true,
it be surfin the sunset behind the horizon.

flyin by on the Hawwian rollorcoaster ride.

a hawiiian rollercoast ride
(sorry i did not put the other language part i did write it
at first
but it made it look bad so i erased it ok)
