Home is where the heart is
Whereever you may be
There'll always be a home for you
Here inside of me

Home is where the heart is
And whatever we may do
There'll always be a part of me
Here inside of you

CHORUS:

Four walls may surround you
And protect you from a storm
But my two arms around you
Will keep you safe and warm

If ever I'm not with you
If ever you're alone
Remember where my heart is
And you'll always have a home

CHORUS

Home is where the heart is
Whereever you may be
There'll always be a home for you
Here inside of me

Home is where the heart is
Here my heart's at home
And you'll never be alone
And you'll never be alone
Remember where my heart is
And you'll always have a home
