Yes, I made the choice.
For Papa I will stay,
But I dont deserve to lose my freedom in this way
You, monster
If you think that what youve done is right
Well, then youre a fool
Think again

Is this home?
Is this where I should learn to be happy?
Never dreamed that a home could be dark and cold
I was told
Everyday in my childhood
Even when we grow old
Home will be where the heart is.
Never were words so true.
My hearts far, far away
Home is too.

Is this home?
Is this what I must learn to believe in?
Try to find
Something good in this tragic place
Just in case
I should stay here forever
Held in this empty space
Oh, but that wont be easy
I know the reason why
My hearts far, far away
Homes alike.

What Id give to return
To the life that I knew lately
But I know that I cant
Solve my problems going back

Is this home?
Am I here for a day or forever?
Shut away from the world until who knows when?
Oh, but then, as my life has been altered once
It can change again

Build higher walls around me
Change every lock and key
Nothing lasts, nothing holds all of me
My hearts far, far away
Home and free.
