"I Can Go The Distance Hercules"

Visit "[I Can Go The Distance Hercules](#)" on MotoLyrics.com

I have often dreamed
Of a far off place
Where a great warm welcome
Will be waiting for me
The crowds will cheer when they see my face
And a voice keeps sayin'
This is where I'm meant to be

I will find my way
I can go the distance
I'll be there someday
If I can be strong
I know every mile
Will be worth my while

I would go most anywhere
To feel like I belong

I am on my way
I can go the distance
I dont care how far
Somehow I'll be strong
I know every mile
Will be worth my while

I would go most anywhere
To find where I belong
