Angel in disguise  
Stories in his eyes  
Love for every true heart that he sees  
Was it just a lucky day  
That he turned and looked my way  
Or is it heaven  
Right before my very eyes?

He's shown me all new things  
The shimmer of moonbeams  
I was blind  
But now he's helped me see  
I was lost but now I'm found  
His happiness surrounds  
And now I find  
That my dreams can come true

'Cause I'm gonna love you  
For the rest of my life  
I'm holding you safe here  
In this heart of mine  
I can't live without you  
'Cause my soul would die  
You know I'm tellin' the truth  
I'll spend the rest  
of my life loving you

It didn't start this way  
It happened just one day  
You smiled at me  
And I saw you differently  
Now I would tremble  
Just to be  
A part of you as we  
Begin a life  
That's sure to never end

'Cause I'm gonna love you  
For the rest of my life  
I'm holding you safe here  
In this heart of mine

I can't live without you  
'Cause my soul would die  
You know I'm tellin' the truth  
I'll spend the rest  
of my life loving you

The rest of my life, baby  
Loving you.
