My head begins to jingle
Most ev'ry time I nod
obviously, quite obviously i'm odd

Each Christmas i go fishing
to catch a christmas cod
cause obviously, quite obviously, i'm odd

When i was just a kitten,
they'd said i'd be a gem
But now that i'm a cheshire cat
It's odd how odd i am

I own a feather pillow
but i slumber on the sod
cause obviously, quite obviously I'm odd

When i was just a kitten,
they'd said i'd be a gem
But now that i'm a cheshire cat
It's odd how odd i am

Most cat's have handsome whiskers
But me, i've got a beard
cause obviously, quite obviously I'm wierd
