It's a world of laughter, a world of tears
It's a world of hopes and a world of fears
There's so much that we share that it's time we're
aware
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

It's a world of laughter, a world of tears
It's a world of hopes and a world of fears
There's so much that we share that it's time we're
aware
It's a small world after all

It's a small world after all
It's a small world after all
It's a small world after all
It's a small, small world

It's a small world after all
It's a small world after all
It's a small world after all
It's a small world after all
