There are things in life you'll learn  
In time you'll see  
Cause out there somewhere  
It's all waiting  
If you keep believing  
So dont run, Dont hide  
It will be all right  
You'll see, Trust me  
I'll be there watching over you

Just take a look through my eyes  
Threes a better place  
somewhere out there  
Just take a look through my eyes  
Everything changes  
You'll be amazed what you'll find  
If you take a look through my eyes

There will be time on this journey  
All you'll see is darkness  
Out there somewhere daylight finds you  
If you keep believing

So dont run, dont hide  
It will be all right  
You'll see, Trust me  
I'll be there watching over you

Just take a look through my eyes  
There's a better place  
somewhere out there  
Just take a look through my eyes  
Everything changes  
You'll be amazed what you'll find  
If you take a look through my eyes

All the things that you can change  
there's a meaning in everything  
And you will find all you need  
There's so much to understand

Just take a look through my eyes  
There's a better place  
somewhere out there  
Just take a look through my eyes  
Everything changes  
You'll be amazed what you'll find  
If you take a look through my eyes

Take a look through My eyes
