KIARA:

In a perfect world
One we've never known
We would never need to face the world alone

They can have the world
We'll create our own
I may not be brave or strong or smart
But some where in my secret heart

I know
Love will find a way
Any where we go
I'm home
If you are there beside me

Like dark turning into day
Some how we'll come through
Now that I've found you
Love will find a way

KOVU:
I was so afraid
Now I realize
Love is never wrong
And so it never dies

There's a perfect world
Shining in your eyes

KIARA and KOVU:
And if only they could feel it too
The happiness I feel with you

They'd know
Love will find a way
Any where we go
We're home
If we are there together

Like dark turning into day
Some how we'll come through

Now that I've found you
Love will find a way

I know love will find a way
