You may find me just a little strange
I like dancing barefoot in the pouring rain
My mind is racing at the speed of light
I'll dance around you like a satellite

I'm reckless
You're speechless

Chorus:
Scream shout I love it loud
I feel the need to stand out in the crowd
Nothing's wrong with me
Nothing's wrong with me
Freak out I stand my ground
Nothing in the world is gonna keep me down
Nothing's wrong with me

I say some things that might not come out right
I say them loud and proud and impolite
Don't try to analyze or be profound
Cause life's too short to be so tightly wound

I'm reckless
You're speechless

Chorus:
Scream shout I love it loud
I feel the need to stand out in the crowd
Nothing's wrong with me
Nothing's wrong with me
Freak out I stand my ground
Nothing in the world is gonna keep me down
Nothing's wrong with me

I can smile
And I let it be
Cause I know that nothing's wrong with me
Wrong with me, wrong with me, wrong with me
If you ask about my attitude
I'll say come on,
Just get a clue!

Chorus:

Scream shout I love it loud

I feel the need to stand out in the crowd,

Nothing's wrong with me

Nothing's wrong with me

Freak out I stand my ground

Nothing in the world is gonna keep me down

Nothing's wrong with me (Nothing's wrong with me)

Nothing's wrong with me

Nothing's wrong with me (Nothing's wrong with me)
