Maybe He's Right  
Maybe There Is Something The Matter with me With Me  
I Just Don't See How A World That Makes Such  
Wonderful Things  
Could Be Bad

Look at this stuff  
Isn't it neat?  
Wouldn't you think my collection's complete?  
Wouldn't you think I'm the girl  
The girl who has everything?

Look at this trove  
Treasures untold  
How many wonders can one cavern hold?  
Looking around here you'd think  
Sure, she's got everything

I've got gadgets and gizmo's a-plenty  
I've got woozits and whatzits galore  
[You want thingamabobs? I've got 20!]

But who cares?  
No big deal  
I want more

I wanna be where the people are  
I wanna see  
Wanna see 'em dancing  
Walking around on those  
[What do you call 'em? oh, feet!]

Flipping your fins you don't get to far  
Legs are required for jumping, dancing  
strolling along down the  
[What's that word again?] street

Up where they walk  
Up where they run  
Up where they stay all day in the sun  
Wandering free  
Wish I could be

Part of that world

What would I give  
If I could live

Out of these waters?  
What would I pay  
To spend a day  
Warm on the sand?  
Bet'cha on land  
They understand  
Bet they don't reprimand their daughters  
Bright young women  
Sick of swimming  
Ready to stand

And ready to know what the people know  
Ask 'em my questions and get some answers  
What's a fire and why does it  
[What's the word?] burn  
When's it my turn?  
Wouldn't I love  
Love to explore the shore up above?

Out of the sea  
Wish I could be  
Part of that world

What would I give to live where you are  
What would I pay to stay here beside you  
What would I do to see you, smiling at me  
Where would we walk  
Where would we run  
If we could stay all day in the sun  
Just you and me  
And I could be..  
Part of your  
world..[gets distracted by dog]

I don't know when  
I don't know how  
But I know something's starting right now  
Watch and you'll see  
Someday I'll be  
Part of your  
world.
