Music

Turn on that radio

As loud as it can go

Wanna dance until my feet can't feel the ground (can't
feel the ground)

Say goodbye to all my fears

One good song they disappear

And nothing in the world can bring me down (bring me
down)

Hand clapping

Hip shaking

Heartbreaking

There's no faking

What you feel when your riding home

Yeah, yeah

Music's in my soul

I can hear it everyday, everynight

It's the one thing on my mind

Music's got control

And I'm never letting go, no no

I just want to play my music

Whoa (music)

Got my six string on my back

Don't need anything but that

Everything I want is here with me (here with me)

So forget that fancy car

I don't need to go that far

What's driving me is following my dreams, yeah

Hand clapping

Earth shaking

Heartbreaking

There's no faking

What you feel when your on a roll

Yeah, yeah

Music's in my soul

I can hear it everyday, everynight

It's the one thing on my mind
Music's got control
And I'm never letting go, no no
I just wanna play my music
I just wanna play my music

Can't imagine what it'd be like (what it be like)
Without the sound of all my hero's singing all my
favorite songs
So I can sing along

Music's in my soul
I can hear it everyday, everynight
It's the one thing on my mind
Music's got control
And I'm never letting go, no no
I just wanna play my music

Music's in my soul
I can hear it everyday, everynight
It's the one thing on my mind
Music's got control
And I'm never letting go, no no
I just wanna play my music
All night long

Yeah
