I sense theres something in the wind  
That feels like tragedys at hand  
And though Id like to stand by him  
Cant shake this feeling that I have  
The worst is just around the bend  
And does he notice  
My feelings for him?  
And will he see?  
How much he means to me  
I think its not to be

What will become of my dear friend?  
Where will his actions lead us then?  
Oh how Id like to join the crowd  
In their enthusiastic cloud  
Try as I may  
It doesnt last  
And will we ever  
End up together?  
No I think not  
Its never to become  
For I am notthe one
