Newsies - Sante Fe

//Jack singing through entire song//

So that's what they call a family

Mother, daughter, father, son...

Guess that everything you heard about is true

So you aint got any family...

Well who said you needed one?

Aint ya glad nobodies waitin up for you?

When I dream, on my own, I'm alone but I aint lonely...

For a dreamer night's the only time of day...

When the citie's finally sleepin

And my thoughts begin to stray

And I'm on the train that's bound for Sante Fe..

And I'm free, like the wind, like I'm gunna live forever

It's a feelin time can never take away...

Alls I need's a few more dollars

And I'm outta here to stay...

Dreams come true, yes they do,

In Sante Fe....

Where does it say ya gotta live and die here?!

Where does it say a guy can't catch a break?!

Why should you always take what you're given?!

Why should you spend your whole life livin trapped
where there aint no future?

Even at Seventeen?

Breakin your back for someone elses sake?

If the life don't seem to suite ya, how bout a change of
scene?

Far from the lousy headlines and the deadlines in
between?

****Music interlude****

Sante Fe?

Are you there?

Do you swear you won't forget me?

If I found you would you let me come and stay?

I aint gettin any younger, and before my dieing day...

I want space, not just air

Let them laugh in my face I don't care

Save a place, I'll be there...

So that's what they call a family...

Aint you glad you ain't that way?

Ain't you glad you got a dream called Sante Fe?
